BUNYA CHILD CARE CENTRE AGREEMENT FORM

This form outlines the general terms and conditions under which the Centre operates. The Agreement is valid for the duration of the period that the child is in care, or until the need arises for a new agreement to be formulated and signed.

PAYMENT OF FEES

1. HOLDING DEPOSIT:

To reserve a child's place, it is required that one weeks full fees (as per your attendance) are paid at time of enrolment. The placement is not guaranteed until the holding deposit is received. A child's placement will commence only once the holding deposit has been received.

The fee must continue to reflect the current care arrangements i.e. increases or decreases on changes to days or an increase in fees. These fees will be credited when two weeks written notice is given that the child is to be withdrawn. If the child is withdrawn without notice, then these fees will be forfeited. If a child's place is terminated due to nonpayment of fees the holding deposit is forfeited.

2. DAILY FEES:

The child's parent or guardian is responsible for paying the child's fees.

The Centre has a two tier structure. Fees are set for 0-3 years and 3-5 years. The fee charged is dependent on age, rather than the classroom they are enrolled in. The week after the child turns 3 years of age, the fees will drop to the 3-5 fee rate.

Fees must be paid in full unless the parent is granted Child Care Benefit and/or Child Care Rebate and elects to receive this as a fee reduction. In this case, the fee payable will be the gap between the total fee for care and the Child Care Benefit and Rebate paid directly by the Family Assistance Office to the Centre. The parent is responsible for contacting the Family Assistance Office and completing the Child Care Benefit forms as required by the Family Assistance Office prior to enrolment.

Parents who are not eligible to receive the Child Care Benefit and/or Child Care Rebate who choose not to use it to reduce daily fees are still required to advise the Family Assistance Office that their child is in care and complete the required paperwork.

The parent is obliged to contact the Family Assistance Office if there is any change to his or her circumstances.

Method of Payment

On the first day of care, fees for that week are payable. From then on, fees are payable in advance on the first day of care each week.

For safety reasons Bunya has a no cash policy. Fees may be paid by BPay by phone or internet, direct deposit by phone or internet, direct deposit into the Centre's bank account.

A Statement showing fees charged and payments made is emailed by the Centre regularly and if requested a hard copy can be provided.

In the event that your child is absent from the service fees remain payable. If your child is absent for more than 42 days within the financial year, parents will be asked to provide a Medical Certificate.

Late Fees

The Centre's closing time is 6:00pm. A late fee of \$20.00 for any part of the first 20 minutes and \$5.00 for every 5 minutes thereafter is charged after the services closing time of 6:00pm. The fee helps to offset overtime costs.

3. WITHDRAWAL AND TERMINATION OF ENROLMENT:

Fees in Arrears

The Centre Director in conjunction with the Management Committee has the authority to terminate an enrolment at the Centre where fees remain outstanding for two weeks or more and no agreement to pay has been put in place. Placements may also be terminated where an enrolled child is absent from the Centre for two weeks or more with no written notice given.

If fees continue to be in arrears the matter may be referred to the Management Committee, This could result in the position being terminated and the outstanding fee amount being passed on to our Debt Recovery Agent. Parents or guardians will be liable for the collection costs incurred in recovering the money owed.

Withdrawal

Two weeks' notice in writing is required on withdrawal. Notice of withdrawal will not be accepted during the Centre's shutdown period over Christmas. Please note that if your child is absent on their last day of attendance, in accordance with government legislation, Child Care Benefit and Rebate will no longer apply and full fees will be charged for the period of absence immediately preceding the last enrolled day.

4. ABSENCE AND ILLNESS:

If a child is to be absent, parents are asked to notify the Centre as soon as possible.

Exclusion due to illness:

A child will not be able to attend the Centre for any period of time during which;

- The child is suffering from a disease or condition which is contagious through normal social contact.
- A medical practitioner has recommended the child not attend child care.

or;

- When the Director of the Centre requests that the sick child be kept away from the Centre because the child requires care which the Centre staff resources do not permit.

Children will be excluded from attending the service if the Director or nominated person determines that a child cannot cope in group care or requires an unmanageable level of educator time due to illness.

Parents may be requested to provide a Medical Certificate stating that a child is non-contagious or well enough to attend child care.

5. MEDICATION:

A parent whose child requires administration of medication will:

- Complete the appropriate form at the Centre
- Provide the correct medication in its original container
- Provide written authority from a medical practitioner for the administration of non-prescription medication. The only medication able to be administered without such written instruction is Paracetamol liquid in the case of a temperature.

Staff are not liable for any allergic reaction or injury caused to the child by the administration of the medication in accordance with the parent's written authority. Nor will they be responsible for any error contained in the written permission, or the supply of incorrect medication by the parent.

6. ACCIDENT/EMERGENCY:

Every reasonable effort will be made to contact the child's parent/guardian, however, if unable to contact them the Director or their delegate may authorise the transportation to hospital and administration of treatment as recommended by any attending Dentist, Doctor, Ambulance Officer, Police or State Government Officer, on behalf of the parent. The parent will be responsible for any costs incurred as a result of transportation or treatment. The parent will notify the Centre of any changes or development in the child's medical condition.

7. NOTIFICATIONS

As Mandatory Reporters Centre staff are obliged to report any suspected incidents of child abuse or mistreatment to the licensing body which is the NSW Department of Family and Community Services.

Under legislation the service may be required to provide information or receive information from other agencies in relation to the child.

8. HOURS OF ATTENDANCE:

Bunya is open for 11 hours per day (7.00a.m. to 6.00p.m.) for which a daily fee is charged.

Please indicate the approximate hours that your child will be in attendance at the service as this will enable us to ensure that we operate legally within our licensing agreement.

9. ARRIVAL & DEPARTURE OF CHILD:

1. When your child arrives at the Centre it is the parent’s responsibility to ensure that a member of the room staff receives the child into care and is aware of their attendance.
2. When the child is being picked up from the Centre it is the parent’s responsibility to ensure that a member of the room staff is aware the child is being signed out of care.
